

Production of Otelos labs from 2012 to 2018

In blue : publication corresponding to a programme funded at least partially by Labex and with reference to the Labex ANR Ressources 21 funding in acknowledgements

In green : work within the field of labex, some of them benefited from the Otelos platforms (some of the platforms were co-funded by Labex Ressources21)

In black : within the theme but other funding than Labex

PRA1+ 4+ 5 : Geological processes and ore deposits, exploration, exploitation.

2012
